## Glass Breakage and Seal Failure Limited Warranty

In the event of glass breakage or seal failure due to thermal shock caused solely as the direct result of the application of an approved LLumar® Window Film, the Manufacturer will either:

- Replace the window film; or
- Replace and/or repair the portion of the window frame in direct contact with the glass, if frame is damaged due to breakage or seal failure (excluding painting or finishing); or
- Replace the broken glass and/or repair or replace the sealed insulating unit.

The following terms and conditions also apply:

1. These warranties are extended to the original purchaser. The products are warranted against glass and seal failure when properly installed in accordance with the Manufacturer's instructions on suitable surfaces of glass by a LLumar dealer and in compliance with the Manufacturer's Film-to-Glass Recommendations Chart.
2. We will pay for repairs or replacement of up to (but not to exceed) \$500 (U.S.) less \$25 (U.S.) deductible or 5% of replacement cost per glass unit.
3. Documented pre-approval is required when any of the windows falls into one of the following categories:
  - Any windows too big to be replaced with standard ladders and manpower
  - Windows exceeding 84 inches in height or width
  - Window with blinds located between the panes of glass (blinds in the air space)
4. Pre-existing conditions of either glass breakage or seal failure of the filmed glass pane voids this warranty coverage. We reserve the right to inspect any job prior to final issuance of a certificate of warranty coverage. Fraud by the installing dealer shall void the warranty.
5. In order to qualify for seal failure coverage, the owner must present evidence that a seal failure warranty is currently in force from the manufacturer of the sealed glass unit. This warranty for seal failure will not extend beyond the sealed unit's manufacturer's limited warranty.
6. This limited warranty shall be completely invalidated if any information or representation set forth on the front of this document is not accurate.
7. We reserve the right to refuse to reapply window film after two occurrences to the same glass pane and will refund the purchase price for the original filming of said glass pane.
8. "Thermal shock fracture" means a breaking or fracture to glass caused by heat or change in temperature resulting from the application of film to glass, and thermal shock breakage can be identified by the following characteristics: (a) break lines make a right angle with the edge of glass at or near the origin, and (b) break lines separate into two or more lines within two inches of the edge and the origin. Tempered glass is not susceptible to thermal shock generated by solar control film.
9. "Seal failure" is defined as a visible break or opening of the window's air seal, resulting in an ineffective sealing of the window, allowing moisture and/or air to penetrate, causing an internal fogging of the glass.
10. This limited warranty shall NOT apply to applications in the following installations: (a) when not in strict compliance with current rules and regulations promulgated by the Manufacturer; or (b) of more than one (1) film to any window; or (c) on triple pane windows, wired or textured glass, any glass on which there is affixed or otherwise applied any paint, lettering or ornamentation; or (d) on glass which is visibly damaged, chipped, cracked or pierced or where light can be seen between glass and frame; or (e) on nonglass materials, such as polycarbonates or other plastics; or (f) in locations in which there has been prior glass breakage; or (g) on glass which is framed by concrete, solid metal or sealant which is no longer resilient; or (h) on any glass of 100 square feet or more or having any linear dimension

(height, width, or diagonal) of more than 12 feet; or (i) when damage occurs partly by reason of loss by any cause other than thermal shock fracture, including, but not limited to, impact, stress, scratching, improper application or installation, wind or the elements, earthquakes or other acts of God, fire, war, invasion, hostilities, rebellion, insurrection, wear and tear, inherent vice, pre-existing break, or latent defect; or (j) when 25% or less of a glass pane is shaded and the shaded area includes more than 25% of the glass pane's perimeter. A portion of the examples of such harmful shading is as follows:

HARMFUL SHADING AS REFERENCED IN THE MANUFACTURER'S FILM-TO-GLASS RECOMMENDATIONS

(examples of shading)

11. Window film or window units removed prior to claim or inspection by the Manufacturer's representative invalidates any stated warranty.

Any purchaser desiring warranty service on any product covered by this limited warranty should collect the information contained in the installation record or bill of sale furnished at the time of purchase, together with a description of the specific defect, and proof that it is LLumar film. The owner should then contact the LLumar dealer from which the film was originally purchased and arrange for them to validate the claim. Proof of purchase is also required in order to obtain warranty coverage. It is therefore recommended that the purchaser retain the completed installation record and sales receipt.

EXCEPT AS PROHIBITED BY APPLICABLE LAW, THE Manufacturer HEREBY DISCLAIMS LIABILITY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL AND PUNITIVE DAMAGES ARISING FROM ANY CAUSE WHATSOEVER. EXCEPT AS EXPRESSLY PROVIDED HEREIN, THE Manufacturer HEREBY EXCLUDES AND DISCLAIMS ANY AND ALL EXPRESS WARRANTIES AND, EXCEPT DURING THE APPLICABLE LIMITED WARRANTY PERIOD SET FORTH ABOVE, THE Manufacturer HEREBY EXCLUDES AND DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

The Manufacturer's sole obligation to the owner or purchaser, whether such claim is based in contract, negligence, tort or otherwise, shall be solely as provided hereunder and damages and remedies shall be solely as provided hereunder.

Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above exclusions and limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state or province to state or province.

This limited warranty is void if the film is subject to abuse or improper care and maintenance. The Manufacturer assumes no liability for scratching or damaging of the film. This limited warranty or any part of it is void only where and to the extent expressly prohibited by law.

LLumar Window Films are not otherwise warranted in any way, except as expressly stated in this limited warranty.
