

Quality you can count on

Proudly made in the U.S.A., high-performance LLumar® Paint Protection Film helps protect car finishes from road debris and scratches. Manufactured by a subsidiary of Eastman Chemical Company, LLumar products are recognized for their outstanding appearance and durability. We proudly stand behind our products and installation. This, along with a reputation for quality and innovation, has made LLumar one of the best-selling and most-respected paint protection film brands in the world.

Door edge protection

Reduce wear and tear on the edge of your vehicle's doors by installing LLumar® Paint Protection Film. Door edge protection is an excellent shield against potential chipped paint and scrapes that often occur in parking lots.

Limited warranty*

LLumar warrants professionally sold and applied LLumar Paint Protection Film against cracking, bubbling or yellowing caused solely by defects in manufacture or materials. This limited warranty is valid only if the product application was performed by a LLumar installer in the United States or Canada in accordance with manufacturer's application procedures and over OEM factory paint.

Ask us for details.

LLumar® Self-Healing Paint Protection Film

Because the first one hurts the most.

Defend against the hazards of the road

The first scratch hurts the most. So prevent the pain and keep your car looking newer for longer with highly durable, self-healing paint protection film. A high-gloss, virtually invisible shield, LLumar® Paint Protection Film protects your car from the damages caused by everyday driving.

Clear coat finish that self-heals when scratched and is resistant to cracks, yellowing and staining

Virtually invisible to the naked eye

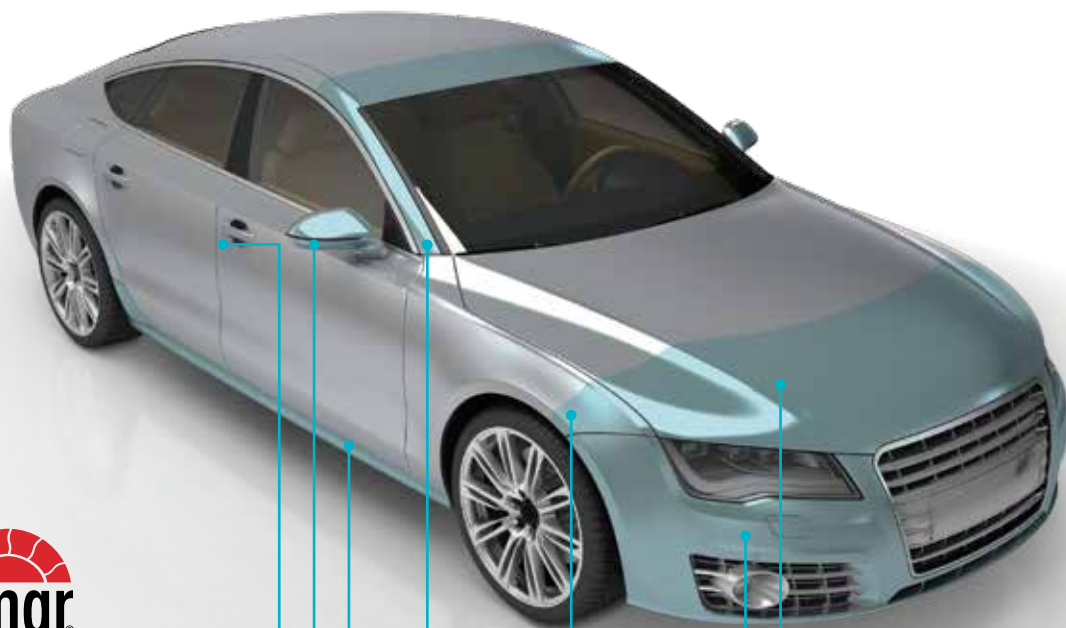

Shields your vehicle against rocks, road debris, winter salt and sand with year-round protection

Protection where you need it most

With best-in-class quality and clarity, LLumar Paint Protection Film has superior durability to stand up against the hazards of the road. Adding LLumar Paint Protection Film to your vehicle can help shield the areas of your vehicle that are most vulnerable to damage.

- Hood (full or partial coverage)
- Bumpers
- Fenders
- A-pillars and roofline
- Rocker panels
- Side-view mirrors
- Door edges, handles and steps

Keep your vehicle looking its best

With LLumar® Paint Protection Film, caring for your car is easy. You can wash, wax and maintain your car just like you normally would. Whatever vehicle you drive, LLumar Paint Protection Film provides the best option for keeping your vehicle looking its best.

Ask a sales representative or contact your local dealer to have LLumar Paint Protection Film installed today! Call 1-800-2LLUMAR or visit us at www.LLumar.com to learn more.
