

# Steps to Obtain a Tint Waiver

- **Obtain a Medical Statement:** Visit a licensed physician, physician assistant, ophthalmologist, or optometrist and explain your condition. Request a signed statement on the physician's official letterhead. The statement must:
  - Identify the person needing the certificate.
  - State that, in the physician's professional opinion, the tinting is necessary to safeguard the person's health due to a specific medical condition(s).
- **Submit to DOT:** The physician's statement must be provided to the Director of the Department of Transportation or their representative, who will then issue an official certificate authorizing the tint.
- **Carry the Certificate:** The official DOT certificate must be carried in the vehicle at all times when it is being operated on any highway
